Fragile by Sting

Fill in the gaps

If blood will flow
When flesh and steel are one
Drying in the colour
Of the evening sun
Tomorrow's rain
Will (1) the (2) away
But (3) in our minds
Will always stay
Perhaps (4) final act was meant
To (5) a lifetime's argument
That nothing comes from violence
And nothing ever could
For all those born beneath an (6) sta
Lest we forget how fragile we are
On and on the rain will fall
Like tears (7) a star
Like tears from a star
On and on the (8) will say
How fragile we are
How fragile we are
On and on the rain will fall
Like tears from a star
Like tears from a star
On and on the (9) will say
How fragile we are
