

## Fill in the gaps

You say you need someone	I am yours like a hero
But everybody does	I'll see this through
I'm no different than you	There's so much me in you
I just believe what I do	Take this enemy together
You point your finger at	Fight these (6) off forever
Everyone but yourself	Forever, forever
And blame the ones that you love	5, 4, 3, 2, 1
Who're only try'n to help	I won't stop until it's done
As it's winding down to zero	No curtain call, I will not fall
I am yours like a hero	This may be the one we've been waiting for
I'll see this through	No curtain call, just take it all
There's so much me and you	Sweat drips (7) from every angle
Take this enemy together	Love your (8) as it gathers in a pool by your fee
Fight these demons off forever	You turn up the heat
Forever, forever	Tossin' and turnin', you cannot sleep
5, 4, 3, 2, 1	Quietly weep, you're in too deep
I (1) stop until it's done	5, 4, 3, 2, 1
No curtain call, I will not fall	I won't stop until it's done
This may be the one (2) been	No curtain call, I will not fall
(3) for	This may be the one we've (9) waiting for
No curtain call, just take it all	No curtain call, (10) take it all
I have no time for fear	5, 4, 3, 2, 1
Or people in my ear	I won't stop until it's done
Head down and running so fast	No curtain call, I will not fall
Try not to dwell on the past	This may be the one we've been waiting for
I'm (4) through this pain	No curtain call, just take it all
And things I cannot change	
Running right into the flame	
Rather than running away	
As it's (5) down to zero
