Slow cheetah come

### Fill in the gaps

#### Slow Cheetah by Red Hot Chili Peppers

Waking up dead inside of my head		Before my forest	
Will never never do there is no med		Looks like it's on today	
No medicine to take		Slow (6)	come
I've had a chance to be insane		It's so euphoric	
Asylum from the (1) rain		No matter what they say	
I've had a chance to break		Everyone has	
It's so bad it's got to be good		So much to say	
Mysterious girl misunderstood		They talk, talk, talk	
Dressed like a wedding cake		Their lives away	
Any other day and I might play		Don't even hesitate	
A (2)	march for Bonnie Brae	Walking on down	
Why try and run away		To the burial ground	
Slow cheetah come		It's a very old dance	
Before my forest		With a merry old sound	
Looks like it's on today		Looks like it's on today	
Slow cheetah come		Slow cheetah come	
It's so euphoric		Before my forest	
No (3)	what they say	Looks like it's on today	
I know a girl		Slow cheetah come	
She worked in a store		It's so euphoric	
She knew not what		No (7) wha	at they say
Her life was for		Slow cheetah come	
She barely knew her name		Before my forest	
They tried to tell her		Looks (8) it's or	n today
She would never be		Slow cheetah come	
As (4) as	the girl	It's so euphoric	
In the magazine		No matter (9) th	ney say
She (5)	it with her pay
