## Otherside (Live) by Red Hot Chili Peppers

How long, how long will I slide	Push the trigger and pull the thread
Separate my side I don't	I've got to (6) it on the other side
I don't believe it's bad	Take it on the other side
Slit my throat	Take it on
It's all I ever	Take it on
I heard your (1) through a photograph	How long, how long (7) I slide
I thought it up it brought up the past	Separate my side, this time, I don't
Once you know you can never go back	I don't believe it's bad
I've got to take it on the other side	Slit my throat
Centuries are what it meant to me	It's all I ever
A (2) where I marry the sea	Turn me on (8) me for a hard ride
Stranger things could never change my mind	Burn me out (9) me on the other side
I've got to take it on the other side	I yell and (10) it that
Take it on the other side	It's not my friend
Take it on	I tear it down, I tear it down
Take it on	And then it's born again
How long how (3) will I slide	How long, how long will I slide
Separate my side I don't	Separate my side I don't
I don't believe it's bad	I don't believe it's bad
Slit my throat	Slit my throat
It's all I ever	It's all I ever
Pour my life (4) a paper cup	How long I don't
The ashtray's full and I'm spillin' my guts	I don't believe it's bad
She wants to know am I still a slut	Slit my throat It's all I ever
I've got to take it on the other side	
Scarlet starlet and she's in my bed	
A candidate for my (5) mate bled
