

Try to forget me and just move on

Fill in the gaps

Calling all cars we've got another victim	So will you scatter my ashes
'Cause my (1) has become an affliction	Where they won't be found?
What did you (2) from me?	I kept my word and you hate me for it now
What did you expect from me?	But you knew all along
I'm sorry but I think I failed to mention	Try to forget me and (13) (14) on
That I lied at my very first confession	I don't
What did you (3) from me?	Have love left
What did you expect from me?	Inside
'Cause this has been building	Inside
Since I (4) been breathing	And I don't
And I know how it's (5) to end	Have love left
So will you scatter my ashes	Inside
Where they won't be found?	Inside
I kept my word	Are you desperate for an answer?
When I (6) (7) I would let you down	I don't have an ounce of (15) (16) in me
And now that I'm gone	now
Try to forget me and just move on	Thats why I walked out
So will you (8) my ashes	So will you (17) my ashes
Where they won't be found?	Where they won't be found?
I (9) my word and you hate me for it now	I kept my word
But you knew all along	When I (18) that I would let you down
Try to forget me and just move on	And now (19) I'm gone
Oh my (10) what have I gone and done now?	Try to (20) me and just move on
It's curtain call, I'm about to take my (11) bow	So will you scatter my ashes
What did you expect from me?	Where they won't be found
What did you expect from me?	I kept my word and you hate me for it now
Without giving away	You hate me for it now
The entire ending	Try to (21) me and just move on
I ruined the evening again	I am not the one that you should blame
So will you scatter my ashes	So (22) what I (23) you for the pain
Where they won't be found?	I am not the one that you should blame
I kept my word	So (24) what I (25) you for the pain
When I swore that I (12) let you down	And do your best to forget my name
And now that I'm gone
