## Carry Me Over by Avantasia

But I won't be around

## Fill in the gaps

never (1) told my prays will be answered	rii be out of sight, out of sound
Wherever I go I see you around	Someone's gonna wait somewher
Never been told (2) something that beautiful	Carry me over
Will (3) up to let me down	Carry me over
Waiting up on the roof	Carry me over now
Waiting up in the rain	Carry me over
Just to get a (4) of your face	Carry me over
Even when you're around	Carry me (7) now
Stealing me out of sight, out of sound	Carry me over
In your world that is my own place	Carry me over
Carry me over	Carry me (8) now
Carry me over	Carry me over
Carry me over now	Carry me over
Carry me over	Carry me (9) now
Carry me over	Somebody
Carry me over now	Carry me over
You're (5) a ghost that I can't let go	Carry me over
You follow every (6) that I take	Carry me over now
Never thought someone can be too close to you	Carry me over
Now I cross the street that's miles away	Carry me over
When I might as well	Carry me over now
Be the man on the moon	Carry me over now
I'm watching but you don't see nowhere
