(20)_____

Almost Over You by Sheena Easton

I saw an old friend of ours today	So when you come back around
She asked about you	After painting the town
I didn't (1) (2) what to say	You'll see I'm almost over you
Heard you've been making the rounds (3) here	I can (17) you and soon I'll forget
While I've been trying to (4) tears disappear	All (18) shattered dreams
Now I'm almost (5) you	Although you left me (19) (20)
I've (6) these blues	to show
So when you (8) back around	For the misery
After (9) the town	Now I'm almost (21) you
You'll see I'm (10) over you	I've almost shook these blues
You're such a sly one with (11) (12)	So when you come (22) around
cold heart	After (23) the town
Maybe (13) came easy	You'll see I'm almost over you
But it tore me apart	When you come back around
Time (14) all wounds they say	After (24) the town
And I sure know	You'll see I'm almost over you
Cause it seems like (15) but I'm letting you	
go	
Now I'm almost over you	
I've almost (16) these blues
