

And I don't really care about

Fill in the gaps

You say that I'm (1)	with your head	If you love me
All cause I was making out with your friend		If you hate me
Love hurts whether it's right or wrong		You can (5) me
I can't stop (2)	I'm having too much fun	Baby, baby
You're on your knees		All my life I've (6) good
Begging please		But now
Stay with me		Whoa
But honestly		What The Hell
I just need to be a little crazy		La la la la la la
All my life I've (3)	good	Whoa, whoa
But now		La la la la la la
I'm thinking What The Hell		Whoa, whoa
All I want is to mess around		You say that I'm messing with your head
And I don't really care about		Boy, I (7) messing in your bed
If you love me		Yeah, I am messing with (8) head when
If you hate me		I'm messing with you in bed
You can save me		All my life I've been good
Baby, baby		But now
All my life I've been good		I'm thinking (9) The Hell
But now		All I want is to mess around
Whoa		And I don't really care about
What The Hell		All my life I've been good
		But now
So what if I go out on a million dates		I'm thinking What The Hell
You never (4) or listen to me anyway		All I (10) is to mess around
I'd rather rage than sit around and wait all day		And I don't really care about
Don't get me wrong		If you love me
I just need some time to play		If you hate me
You're on your knees		You can save me
Begging please		Baby, baby
Stay with me		All my life I've been good
But honestly		But now
I just need to be a little crazy		Whoa
All my life I've been good		What The Hell
But now		La la La la la la la la
I'm thinking What The Hell		
All I want is to mess around	l	

1. messing

- 2. cause
- 3. been
- 4. call
- 5. save
