

All I want is to mess around And I don't really care about

Fill in the gaps

You say that I'm messing with your head	If you love me
All cause I was making out (1) your friend	If you hate me
Love hurts whether it's right or wrong	You can save me
I can't stop cause I'm having too much fun	Baby, baby
You're on your knees	All my life I've been good
Begging please	But now
Stay with me	Whoa
But honestly	What The Hell
I (2) need to be a little crazy	La la la la la la
All my life I've been good	Whoa, whoa
But now	La la la la la la
I'm thinking What The Hell	Whoa, whoa
All I want is to mess around	You say (7) I'm messing with your head
And I don't (3) care about	Boy, I like messing in your bed
If you love me	Yeah, I am messing (8) your head when
If you hate me	I'm messing with you in bed
You can save me	All my life I've been good
Baby, baby	But now
All my life I've been good	I'm thinking What The Hell
But now	All I want is to mess around
Whoa	And I don't really care about
What The Hell	All my life I've (9) good
	But now
So what if I go out on a (4) dates	I'm thinking What The Hell
You never call or listen to me anyway	All I want is to mess around
I'd rather rage than sit around and (5) all day	And I don't (10) care about
Don't get me wrong	If you love me
I just need some time to play	If you hate me
You're on (6) knees	You can save me
Begging please	Baby, baby
Stay with me	All my life I've been good
But honestly	But now
I just need to be a little crazy	Whoa
All my life I've been good	What The Hell
But now	La la La la la la la la
I'm thinking What The Hell
