

## Fill in the gaps

Cold and frosty morning	In the time of my life	
There's not a lot to say	Cos I need more time	
About the things caught in my mind	Yes I need more time just to make things right	
And as the day was dawning	Me and you what's going on	
My plane flew away	All we seem to know is how to show	
With all the things caught in my mind	The feelings that I wrote	
I don't wanna be there (1) your, coming down	So don't go away	
I don't wanna be (2) when you hit the ground	Say what you say	
So don't go away	Say that you'll stay	
Say what you say	Forever and a day	
Say that you'll stay	In the time of my life	
Forever and a day	Cos I need (5) time	
In the time of my life	Yes I need more time just to make (6)	right
Cos I (3) time	And don't go away	
Yes I need more time just to make things right	Say what you say	
Damn my situation and the games I have to play	Say that you'll stay	
With all the things caught in my mind	Forever and a day	
Damn my education I can't find the words to say	In the (7) of my life	
With all the things caught in my mind	Cos I need (8) time	
I don't wanna be there when your coming down	Yes I need more time just to make things right	
I don't wanna be there when you hit the ground	Yes I need more time just to make things right	
So don't go away	Yes I need more time just to make (9)	right
Say what you say	So don't go away	
Say that you'll stay		
Forever and a day
