

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need (12) time
About the things (1) in my mind	Yes I need more (13) just to (14) things
And as the day was dawning	right
My (2) flew away	Me and you what's going on
With all the things caught in my mind	All we seem to know is how to show
I don't wanna be there when your, (3) down	The (15) I wrote
I don't wanna be ther when you hit the ground	So don't go away
So don't go away	Say (17) you say
Say (4) you say	Say (18) you'll stay
Say that you'll stay	Forever and a day
Forever and a day	In the (19) of my life
In the time of my life	Cos I need (20) time
Cos I need more time	Yes I need more (21) just to make things right
Yes I (5) more (6) just to (7)	And don't go away
things right	Say what you say
Damn my (8) and the games I	Say (22) you'll stay
(9) to play	Forever and a day
With all the things caught in my mind	In the time of my life
Damn my education I can't find the words to say	Cos I need more time
With all the things caught in my mind	Yes I (23) more time just to make
I don't wanna be there when your coming down	(24) right
I don't wanna be there (10) you hit the ground	Yes I (25) time (27) to
So don't go away	make things right
Say (11) you say	Yes I need more time (28) to make things right
Say that you'll stay	So don't go away
Forever and a day
