Though hope is frail

## Fill in the gaps

## When You Believe by Mariah Carey & Whitney Houston

Many nights we've prayed	It's hard to kill
With no proof anyone could hear	Who knows (6) miracles
In our (1) a hopeful song	You can achieve
We barely understood	When you believe
Now we are not afraid	Somehow you will
Although we know there's (2) to fear	You will when you believe
We (3) moving mountains	They don't always happen when you ask
Long before we knew we could	And it's easy to give in to your fear
There can be miracles	But when you're blinded by (7) pain
When you believe	Can't see (8) way safe through the rain
Though hope is frail	Thought of a still resilient voice
It's hard to kill	Says love is very near
Who knows what miracles	There can be miracles
You can achieve	When you believe
When you believe	Though hope is frail
Somehow you will	It's hard to kill
You will when you believe	Who knows what miracles
In this (4) of fear	You can achieve
When (5) so often proves in vain	When you believe
Hope seemed like the summer birds	Somehow you will
Too swiftly flown away	Now you will
Yet now I'm standing here	You (9) when you believe
My heart's so full I can't explain	You will when you believe
Seeking faith and speaking words	Just believe
I never thought I'd say	Just believe
There can be miracles	You will when you believe
