

Fill in the gaps

My head is stuck in the clouds	But until the morning sun you're mine, all mine
She begs me to (1) down	Play the Music low and sway to the rhythm of love
Says "Boy quit foolin' around"	When the moon is low
told her "I love the view from up here	We can dance in slow motion
The warm sun and wind in my ear	And all your tears will subside
We'll watch the world from above	All your tears will dry
As it turns to the rhythm of love"	And long after I've gone
We may only have tonight	You'll still be humming along
But (2) the morning sun you're mine, all mine	And I will (6) you in my mind
Play the (3) low and sway to the rhythm of love	The way you make love so fine
My heart beats like a drum	We may only have tonight
A guitar string to the strum	But (7) the morning sun you're mine, all mine
A beautiful song to be sung	Play the music low and sway to the (8) of love
She's got blue eyes deep like the sea	Play the music low and sway to the rhythm of love
That (4) back when she's laughing at me	Yeah, (9) to the rhythm of love
She rises up like the tide	
The moment her lips meet mine	
Ne may only (5) tonight
