

But I hear you're calling me soon

Love's A Game by The Magic Numbers

Maybe I think, maybe I don't	And maybe I'm a fool for (6)	in line
Maybe I will, maybe I won't (1) my way this time	And (7) I (8)	try to leave this
I hear you're calling me soon	time	time
One of these days	I'm an honest mistake that you made	
Somebody stays and somebody pays	Did you mean to?	
It (2) all the time	(Oh) Did you mean?	
I'll be leaving, believing you wanted me to	(Oh) Did you mean?	
And maybe I'm a fool for walking in line	Love is just a game	
And maybe I should try to leave this time	Broken all the same	
I'm an honest mistake that you made	And I will get over you	
Did you mean to?	Love is just a lie	
(Oh) Did you mean?	Happens all the time	
(Oh) Did you mean?	Swear I know this much is true	
Love is just a game	And maybe I'm a fool for walking in line	
Broken all the same	And maybe I should try to leave (9)	
And I will get over you	I'm an honest mistake that you made	
Love is just a lie	Did you mean to?	
Happens all the time	(Oh) Did you mean?	
Swear I know this much is true	(Oh) Did you mean?	
And they collared you up	Love is just a game	
And collared you (3) and (4)	Broken all the same	
you in	And I will get (10) you	
And I've been waiting so long	Love is just a lie	
To take you home	Happens all the time	
And (5) I think, maybe I don't	Swear I know this much is true	
Maybe I will, maybe I won't
