

When we were not alright

Fill in the gaps

She (1) walked away	This was my first love
Why didn't she tell me?	She was the first to go
And where do I go tonight	And when she left me for you
This isn't (2) to me	I was the last to know
This can't be happening to me	I'll be the first to say
She didn't say a word	That now I'm okay
Just walked away	And for the first time
You were the first to say	I've opened up my eyes
That we (3) not okay	This was my (6) love
You were the first to lie	You'll be the (7) to go
When we were not alright	And (8) she leaves you for dead
This was my first love	You'll be the last to know
She was the (4) to go	I'll be the (9) to say
And (5) she left me for you	That now I'm okay
I was the last to know	And for the first time
Why didn't she tell me	I've opened up my eyes
Where to go tonight	This was my worst love
She didn't say a word	You'll be the first to go
She just walked away	And when she leaves you for dead
You were the first to say	You'll be the (10) to know
That we were not okay	
You were the first to lie
