

## Fill in the gaps

## Last To Know by Three Days Grace

She (1) walked away	This was my first love
Why didn't she tell me?	She was the (13) to go
And where do I go tonight	And (14) she left me for you
This isn't (2) to me	I was the last to know
This can't be happening to me	I'll be the first to say
She didn't say a word	That now I'm okay
Just walked away	And for the first time
You were the first to say	I've opened up my eyes
That we (3) not okay	This was my worst love
You were the (4) to lie	You'll be the (15) to go
When we (5) not alright	And when she (16) you for dead
This was my first love	You'll be the last to know
She was the first to go	I'll be the first to say
And when she left me for you	That now I'm okay
I was the last to know	And for the first time
Why didn't she (6) me	I've (17) up my eyes
Where to go tonight	This was my worst love
She didn't say a word	You'll be the first to go
She (7) (8) away	And when she (18) you for dead
You (9) the (10) to say	You'll be the (19) to know
That we (11) not okay	
You (12) the first to lie	
When we were not alright
