Across The Universe by The Beatles

vvords are flying out	Nothing's gonna change my world
Like endless rain into a paper cup	Nothing's gonna (12) my world
They slither while they pass	Nothing's (13) change my world
They slip away across the universe	Sounds of laughter (14) of life
Pools of sorrow waves of joy	Are ringing (15) my open ears
Are drifting thorough my (1) mind	Exciting and (16) me
Possessing and caressing me	Limitless (17) love
(Jai guru (2) om)	Which (18) around me (19) a
Nothing's gonna change my world	million suns
Nothing's gonna change my world	It calls me on and on across the universe
Nothing's (3) (4) my world	(Jai (20) deva om)
Nothing's gonna change my world	Nothing's gonna (21) my world
Images of broken light	Nothing's gonna (22) my world
Which dance (5) me like a million eyes	Nothing's gonna change my world
That call me on and on (6) the universe	Nothing's gonna change my world
Thoughts (7) (8) a restless wind	(Jai (23) deva)
inside a (9) box	(Jai guru deva)
They (10) blindly	(Jai guru deva)
As they make their way (11) the universe	
(Jai guru deva om)	
Nothing's gonna change my world
