

Fill in the gaps

Made a meal and threw it up on sunday, I've	So what's the matter with you
Got a lot of (1) to learn	Sing me something new
Said I would and I'll be leaving one day	Don't you know the cold and wind and rain don't know
Before my heart starts to burn	They only seem to come and go away
So what's the matter (2) you	Stand by me
Sing me (3) new	Nobody knows the way it's gonna be
Don't you know the cold and wind and rain don't know	Stand by me
They (4) seem to come and go away	Nobody knows the way it's gonna be
Times are (5) when things have got no meaning,	Stand by me
l've	Nobody knows the way it's gonna be
Found a key upon the floor	Stand by me
Maybe you and I will not believe in	Nobody knows
The (6) we find behind the door	Yeah, nobody knows
So what's the matter with you	The way it's gonna be
Sing me something new	The way it's gonna be, yeah
Don't you know the cold and wind and rain don't know	Maybe I can see, yeah
They only seem to come and go away	Don't you know the cold and wind and rain don't know
Stand by me	They (10) seem to come and go away
Nobody knows the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody (7) the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody (8) the way it's gonna be	Stand by me
Stand by me	Nobody knows the way it's gonna be
Nobody knows	Stand by me
Yeah, nobody knows	Nobody knows
The way it's gonna be	Yeah, God only knows
If you're leaving (9) you take me with you	The way it's gonna be
I'm tired of talking on my phone	
There is one thing I can never give you	
My heart will never be your home
