## The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is 1 m complicated	Cause this ain t wonderland
You're as straight as they come	It damn sure ain't Narnia
You go 'bout your day baby	And once you cross the line
While I had from the sun	You can't change your mind
It's better if you don't understand	Yeah I'm a monster
Cause you wont know (1) it's like	But I'm no Frankenstein
Until you try	And quite frankly
You know I, I've been (2) on the other side	I've been feeling insane in (15) my eyes
And you, all you gotta do is (3) the line	I (16) cant (17) what I feel
I could (4) a whole (5) time	inside
But you just gotta decide	If you knew what I was you's would run and hide
You (6) I	Many have tried to go into the night
I've been (7) on the other	Cross over the line and come back alive
Waiting on the other side	But that's the price we pay
We would (8) forever	When we living on the (18) side
Who could ask for more	You know I, I've been (19) on the other
You (9) die if you wanted	side
But baby what for	And you, all you (20) do is (21) the
It's better if you don't understand	line
And you won't know what it's like	I could wait a whole life time
Until you try	But you just (22) decide
You know I, I've (10) waiting on the other side	You know I
And you, all you gotta do is cross the line	I've (23) waiting on the other
I could (11) a whole life time	Waiting on the other side
But you (12) (13) decide	It's (24) if you don't understand
You (14) I	It's better if you don't understand
I've been waiting on the other	It's better if you don't understand
Waiting on the other side	It's better if you don't understand
If they say life's a dream	It's better if you don't understand
Call this insomnia	It's (25) if you don't understand
