You Give Me Something by James Morrison

You want to stay with me in the morning	But I'm willing to give it a try
You only hold me when I sleep	Please give me something
I was meant to tread the water	'Cause someday I might (4) you from my heart
Now I've gotten in too deep	But it (5) me a second too late
For every piece of me (1) wants you	And the words that I could never say
Another piece backs away	Gonna come out anyway
'Cause you give me something	'Cause you give me something
That makes me scared, alright	That makes me scared, alright
This could be nothing	This (6) be nothing
But I'm willing to give it a try	But I'm willing to give it a try
Please give me something	Please give me something
'Cause someday I might know my heart	'Cause you give me something
You already waited up for hours	That makes me scared, alright
Just to spend a little time alone with me	This (7) be nothing
And I can say I've never (2) you flowers	But I'm willing to (8) it a try
I can't work out what they mean	Please give me something
I never thought (3) I'd love someone	'Cause someday I (9) know my heart
That was someone else's dream	Know my heart, know my heart, know my heart
'Cause you give me something
