

This (13)_____ be nothing

Fill in the gaps

You Give Me Something by James Morrison

You (1) to stay with me in the morning	But I'm willing to give it a try
You only hold me when I sleep	Please give me something
was (2) to tread the water	'Cause someday I (14) call you from my hear
Now I've gotten in too deep	But it (15) me a (16) too late
For every (3) of me (4) wants you	And the words that I could (17) say
Another piece backs away	Gonna (18) out anyway
Cause you (5) me something	'Cause you give me something
That makes me scared, alright	That (19) me scared, alright
This (6) be nothing	This could be nothing
But I'm willing to give it a try	But I'm willing to (20) it a try
Please give me something	Please give me something
Cause someday I might know my heart	'Cause you give me something
You already waited up for hours	That makes me scared, alright
Just to spend a little (7) alone (8) me	This could be nothing
And I can say I've (9) (10) you	But I'm willing to give it a try
lowers	Please give me something
can't work out what (11) mean	'Cause (21) I (22)
never thought (12) I'd love someone	(23) my heart
That was someone else's dream	Know my heart, know my heart, know my heart
Cause you give me something	
That makes me scared, alright
