## Everybody Is Free To Feel Good by Rozalla

Everybody's free to (1) good	Now is the moment to	
Everybody's free to (2) good	Reach out to someone	
Everybody's free	It's all up to you	
Brother and sister	When everyone's (7)	(8)
Together we'll make it through	hope	
Some day a spirit will	Then love will win through	
Lift you and take you there	Everybody's free to feel good	
I know you've (3) hurting	Everybody's free to feel good	
But I've (4) there	Everybody's free to feel good	
Waiting to be there for you	Everybody's free to feel good	
And I'll be (5) just helping you out	Everybody's free to feel good	
Whenever I can	Everybody's free to feel good	
Everybody's free to feel good	Everybody's free to feel good	
Everybody's free to (6) good	Everybody's free to feel good	
We are all a family	Everybody's free to (9) good	
That should stand together as one	Everybody's free to feel good	
Helping each other	Everybody's free to feel (10)	
Instead of just wasting time	Everybody's free to feel good
