## My Happy Ending by Avril Lavigne

## Fill in the gaps

Oh oh, oh oh	You were all the things I thought I knew
So much for my happy ending	And I thought we (6) be
Oh oh, oh oh	You were everything, everything that I wanted
So much for my happy ending	We were meant to be, supposed to be, but we lost it
Oh oh, oh oh, oh oh	All of the memories, so close to me, just fade away
Let's talk this over	All this time you were pretending
It's not like we're dead	So much for my happy ending
Was it (1) I did?	It's nice to know that you were there
Was it something you said?	Thanks for acting (7) you care
Don't leave me hanging	And making me feel like I was the only one
In a city so dead	It's nice to know we had it all
Held up so high	Thanks for watching as I fall
On such a breakable thread	And letting me know we were done
You were all the things I thought I knew	You were everything, everything that I wanted
And I thought we (2) be	We were meant to be, supposed to be, but we lost it
You were everything, (3) that I	All of the memories, so (8) to me, just fade away
wanted	All this time you (9) pretending
We were (4) to be, supposed to be, but we lost it	So much for my happy ending
All of the memories, so close to me, just (5) away	You were everything, everything that I wanted
All this time you were pretending	We were meant to be, supposed to be, but we lost it
So much for my happy ending	All of the memories, so (10) to me, just fade
Oh oh, oh oh	away
So much for my happy ending	All this time you were pretending
Oh oh, oh oh	So much for my happy ending
You've got your dumb friends	Oh oh, oh oh
I know what they say	So much for my happy ending
They tell you I'm difficult	Oh oh, oh oh
But so are they	So much for my happy ending
But they don't know me	Oh oh, oh oh, oh oh
Do they even know you?	
All the things you hide from me	
All the (shit) that you do	

- 1. something
- 2. could
- 3. everything
- 4. meant
- 5. fade
- 6. could
- 7. like
- 8. close
- 9. were
- 10. close
