

Fill in the gaps

On on, on on	You were all the things I thought I knew
So (1) for my happy ending	And I thought we (12) be
Oh oh, oh oh	You were everything, (13) that I
So much for my happy ending	wanted
Oh oh, oh oh, oh oh	We were meant to be, (14) to be, but we
Let's (2) (3) over	lost it
It's not like we're dead	All of the memories, so close to me, just (15) away
Was it something I did?	All this time you were pretending
Was it something you said?	So much for my (16) ending
Don't leave me hanging	It's nice to (17) that you were there
In a city so dead	Thanks for (18) you care
Held up so high	And making me feel like I was the (20) one
On such a breakable thread	It's nice to know we had it all
You (4) all the things I thought I knew	Thanks for watching as I fall
And I thought we could be	And letting me know we were done
You were everything, everything (5) I wanted	You were everything, everything that I wanted
We were meant to be, supposed to be, but we lost it	We were (21) to be, supposed to be, but we lost
All of the memories, so close to me, (6) fade away	it
All this time you were pretending	All of the memories, so close to me, just fade away
So (7) for my happy ending	All this time you (22) pretending
Oh oh, oh oh	So much for my happy ending
So much for my happy ending	You were everything, everything that I wanted
Oh oh, oh oh	We were meant to be, supposed to be, but we lost it
You've got (8) dumb friends	All of the memories, so (23) to me, just fade
I (9) what they say	away
They tell you I'm difficult	All this time you were pretending
But so are they	So much for my happy ending
But they don't know me	Oh oh, oh oh
Do they even (10) you?	So much for my happy ending
All the (11) you hide from me	Oh oh, oh oh
All the (shit) that you do	So much for my happy ending
	Oh oh, oh oh, oh oh
