

To rise and break away

## Fill in the gaps

| I tear on the leash             |                    |                  | Above the (11)        |
|---------------------------------|--------------------|------------------|-----------------------|
| That keeps me (1)               |                    | and controlled   | Way (12)              |
| Let me go                       |                    |                  | This I know           |
| I (2) to bre                    | ak free            |                  | The (13)              |
| And (3) my way out of this hole |                    |                  | It's worth the sacrif |
| One (4) ho                      | ppe                |                  | Way beyond the tie    |
| To rise and break away          |                    | You (14)         |                       |
| Above the faded line            |                    | Don't (16)       |                       |
| Way (5)                         | the ties that bind |                  | Damn you all, I'm o   |
| This I know                     |                    |                  | One (17)              |
| The risk is worth the gain      |                    |                  | To (18)               |
| It's (6) tl                     | he sacrifice       |                  | Above the faded lin   |
| Way beyond the (7) that bind    |                    |                  | Way beyond the tie    |
| I run but the chains            |                    | This I know      |                       |
| Pull me right back to the floor |                    | The risk is (19) |                       |
| You control                     |                    |                  | It's (20)             |
| I (8) t                         | he cage            |                  | Way (21)              |
| I won't be your (9)             | anymore            |                  |                       |
| One (10)                        | none               |                  |                       |

| Above the (11)                      | line                     |        |      |  |  |
|-------------------------------------|--------------------------|--------|------|--|--|
| Way (12) the ties that bind         |                          |        |      |  |  |
| This I know                         |                          |        |      |  |  |
| The (13)                            | e (13) is worth the gain |        |      |  |  |
| It's worth the sacrifi              | ce                       |        |      |  |  |
| Way beyond the ties that bind       |                          |        |      |  |  |
| You (14)                            | me (15)                  | pieces |      |  |  |
| Don't (16) me what to be            |                          |        |      |  |  |
| Damn you all, I'm gonna find my way |                          |        |      |  |  |
| One (17)                            | hope                     |        |      |  |  |
| To (18) and break away              |                          |        |      |  |  |
| Above the faded lin                 | e                        |        |      |  |  |
| Way beyond the tie                  | s that bind              |        |      |  |  |
| This I know                         |                          |        |      |  |  |
| The risk is (19)                    | the gain                 |        |      |  |  |
| It's (20)                           | _ the sacrifice          |        |      |  |  |
| Way (21)                            | the ties (22)            |        | bind |  |  |
