

And what can I say to make you mine

Fill in the gaps

I lie awake at night	To reach out for you in time
See things in black and white	Oh my pretty (7) boy I love you
I've only got you inside my mind	Like I never ever loved no one before you
You know you have made me blind	Pretty pretty boy of mine
I lie awake and pray	Just (8) me you love me too (tell me you love me
That you will look my way	too)
I have all this (1) in my heart	Oh my pretty pretty boy
I (2) it right from the start	I need you
Oh my pretty pretty boy I love you	Oh my pretty pretty boy I do
Like I never ever loved no one before you	Let me inside
Pretty pretty boy of mine	Make me stay right beside you
Just tell me you love me too	Oh pretty boy pretty boy
Oh my (3) pretty boy	Say you (9) me too
I need you	Oh my pretty pretty boy I love you
Oh my pretty pretty boy I do	Like I never ever loved no one before you
Let me inside	Pretty pretty boy of mine
Make me stay right (4) you	Just tell me you love me too (tell me you love me too)
I used to write your name	Oh my pretty pretty boy
And put it in a frame	I need you
And (5) I think I (6) you call	Oh my pretty pretty boy I do
Right from my bedroom wall	Let me inside
You stay a little while	Make me stay right beside you
And touch me with your smile
