

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a (1)_____ like a riot rocking (2)_____
revision
But you (3)_____ to the tone and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah
With fists flying up in the air
Like we're holding onto (4)_____ that's
invisible there
Cause we're living at the (5)_____ of the (6)_____
and the fear
Until we dead it, forget it, let it all disappear
Waiting for the end to come
Wishing I had strength to stand
This is not (7)_____ I had planned
It's out of my control
Flying at the (8)_____ of light
Thoughts (9)_____ spinning in my head
So many (10)_____ were left unsaid
It's hard to let you go
I know what it takes to move on
I know how it feels to lie
All I want to do
Is trade this life for (11)_____ new
Holding on to what I haven't got
Sitting in an empty room
Trying to (12)_____ the past
This was (13)_____ meant to last
I (14)_____ it wasn't so

I know what it takes to move on
I know how it feels to lie
All I want to do
Is trade this (15)_____ for (16)_____
new
Holding on to what I haven't got
What was (17)_____ when that fire was gone
I thought it felt right but that right was wrong
All caught up in the eye of the storm
And trying to figure out (18)_____ it's like moving on
And I don't even know what kind of things I said
My mouth kept (19)_____ and my mind
(20)_____ dead
So I'm picking up the pieces, now (21)_____ to begin
The (22)_____ part of ending is
(23)_____ again
All I want to do
Is trade this life for something new
Holding on to what I haven't got...
This is not the end, this is not the beginning
Just a voice like a (24)_____ rocking every revision
But you listen to the tone and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah with (25)_____ flying up in the air
Like we're holding (26)_____ something that's invisible
there
Cause we're living at the mercy of the pain and the fear
Until we dead it, forget it let it all disappear

Fill in the gaps

Answer

1. voice
