

It's a fire I can't resist

## Fill in the gaps

There was a time	I was cryin' when I met you
When I was so broken hearted	Now I'm tryin' to forget you
Love wasn't much of a friend of mine	Your (8) is sweet misery
The tables have turned, yeah	I was cryin' just to get you
Cause me and them (1) have parted	Now I'm dyin' cause I let you
That kind of love was the killin' kind	Do what you do to me
Now listen	Cause what you got inside
All I want is (2) I can't resist	Ain't (9) your love should stay
I know all I need to know by the way (3) I got	Yeah, our love, sweet love, ain't love
kissed	If you give your heart away
I was cryin' (4) I met you	I was cryin' when I met you
Now I'm tryin' to forget you	Now I'm tryin' to forget you
Love is (5) misery	Your love is sweet misery
I was cryin' just to get you	I was cryin' just to get you
Now I'm dyin' 'cause I let you	Now I'm dyin' just to let you
Do what you do - down on me	Do what you do, what you do, down to me, baby, baby
Now there's not (6) breathin' room	I was cryin' when I met you
Between (7) and pain	Now I'm tryin' to forget you
Yeah you cry when we're makin' love	Your love is sweet misery
Must be one and the same	I was cryin' when I met you
It's down on me	Now I'm tryin' to forget you
Yeah I got to tell you one thing	Your love is sweet misery
It's been on my mind	I was cryin' when I met you
Girl I gotta say	Now I'm dyin' to forget you
We're partners in crime	Your (10) is sweet misery
You got that certain something	I was cryin' when I met you
What you give to me	Now I'm dyin' to forget you
Takes my breath away	
Now the word out on the street	
Is the devil's in your kiss	
If our love goes up in flames
