And it seems as though the writings on the wall	Been (9) in comprimising situations
Superstar you finally made it	I should have learnt
But once your picture (1) tainted	From all those times I didn't walk away
It's what they call	When I knew that it was best to go
The rise and fall	Is it too late to show you the shape of my heart
Sometimes in (2) you feel the fight is over	Sometimes in life you feel the fight is over (hmm yeah)

But this game I'm in don't take no prisoners	Think I don't care
Just casualties	But you don't realise what this means to me
I know that everything is gonna change	So let me have
Even the friends I knew before me go	Just one more chance
But this dream is the life I've been searching for	I'm not the man I used to be
Started believing that I was the greatest	Used to be (sometimes in life you feel the fight is over
My life was never gonna be the same	And it seems as though the writings on the wall (be)
Cause with the money came a different status	Superstar you finally made it (on the wall yeah)

Now I'm too concerned with all the (4) I own	It's what they call (it's (10) they call)
Blinded by all the pretty girls I see	The rise and fall
I'm beginning to lose my integrity	Sometimes in life you feel the fight is over
Sometimes in life you feel the (5) is over	And it seems as though the writings on the wall (yeah)
Over	Superstar you finally made it (oh)
And it seems as (6) the writings on the wall	But once your picture becomes tainted (oh)

No autographs, no interviews, no pictures	It's what they call
And less demands (and less demands)	The rise and fall
Given advice that was (7) wrong	(Hmm hmm)
The type that seems to make me feel so right
