

Burnt all my bridges now I've run out of places

Fill in the gaps

Sometimes in life you feel the fight is over	And there's nowhere left for me to turn
And it cooms so though the writings on the well	
And it seems as though the writings on the wall	Been caught in comprimising situations
Superstar you finally made it	I should have learnt
But once (1) picture becomes tainted	From all those times I didn't walk away
It's what they call	When I knew that it was best to go
The rise and fall	Is it too late to show you the shape of my heart
Sometimes in life you feel the fight is over	Sometimes in life you feel the fight is over (hmm yeah)
Over	(Over, hmm yeah)
And it seems as though the writings on the wall	And it seems as though the writings on the wall
Yeah	(The writings on the wall)
Superstar you finally made it	Superstar you finally made it (oh yeah)
But once your picture becomes tainted	But once your picture (7) tainted
It's what they call	It's what they call (it's what they call)
The rise and fall	The rise and fall (the rise and fall)
I always said that I was gonna make it	Now I know (now I know)
Now it's plain for everyone to see	I made mistakes (I made mistakes)
But this game I'm in don't take no prisoners	Think I don't care
Just casualties	But you don't realise what this means to me
I know that everything is gonna change	So let me have
Even the friends I knew before me go	Just one more chance
But this dream is the life I've (2) searching for	I'm not the man I used to be
Started (3) that I was the greatest	Used to be (sometimes in life you feel the fight is over)
My life was never gonna be the same	And it seems as (8) the writings on the wall
Cause with the (4) came a	(be)
(5) status	Superstar you finally made it (on the wall yeah)
That's when things change	But once (9) picture becomes tainted (oh oh
Now I'm too concerned with all the things I own	yeah)
Blinded by all the pretty girls I see	It's what they call (it's what (10) call)
I'm beginning to lose my integrity	The rise and fall
Sometimes in life you feel the fight is over	Sometimes in life you feel the fight is over
Over	And it seems as though the writings on the wall (yeah)
Over And it seems as though the writings on the wall	And it seems as though the writings on the wall (yeah) Superstar you finally made it (oh)
