White Flags (Live) by Dido

I know you think that I shouldn't still (1)_____ you
Or tell you that
But if I didn't say it, well I'd still have (2)_____ it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I (3)_____ too much mess and
Destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me again
And if you live by the (4)_____ of "it's over"
Then I'm sure that (5)_____ makes sense
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet

Which I'm (6)_____ we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on...
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I (7)_____ go (8)_____ with (9)_____ ship
And I won't put my hands up and surrender
There will be no white flag (10)_____ my door
I'm in love and always will be
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love (and always will be)
