White Flags (Live) by Dido

Fill in the gaps

I know you (1) that I shouldn't still love you	Which I'm sure we will
Or tell you that	All that was there
But if I didn't say it, well I'd still have felt it	Will be there still
Where's the sense in that?	I'll let it pass
I promise I'm not trying to make your life harder	And hold my tongue
Or return to where we were	And you will think
But I will go down with this ship	That I've moved on
And I won't put my (2) up and surrender	I will go down with this ship
There will be no (3) (4) above my	And I won't put my hands up and surrender
door	There will be no white (8) above my door
I'm in love and always (5) be	I'm in love and always will be
I know I left too much mess and	I will go down with this ship
Destruction to come back again	And I won't put my hands up and surrender
And I (6) nothing but trouble	There will be no white flag (9) my door
I understand if you can't talk to me again	I'm in love and always will be
And if you live by the (7) of "it's over"	But I will go down with this ship
Then I'm sure that that makes sense	And I won't put my (10) up and surrender
But I will go down with this ship	There will be no white flag above my door
And I won't put my hands up and surrender	I'm in love (and always will be)
There will be no white flag above my door	
I'm in love and always will be
