Got my mind made, I don't plan to leave

Fill in the gaps

Words by Anthony David & India Arie

I believe that (1) must be like this	Cause you were meant for me
Ray of sunshine kissed (2) your skin	Simple that may be
Just say you love me	Why be complex
Make my day go good	Loving you is so easy
Pot of gold at the end of a rainbow	Can't tell you nothing you ain't already heard
Can't tell you nothing you ain't already heard	(Already Heard)
No matter what I say it's nothing but words	No matter what I say it's nothing but words
Just let me prove to you what I know is real	(Nothing But Words)
Let me (3) to you the way that I feel	Just let me prove to you what I (6) is real
I believe that (4) is synonymous	(It's Real)
With heaven, such a sensual bliss	Let me express to you the way that I feel
The way you touch me, makes this life so good	Can't tell you nothing you ain't already heard
A reward at the, end of our long road	No matter what I say it's nothing but words
Can't tell you nothing you ain't already heard	Just let me prove to you what I know is real
(Already heard)	Let me (7) to you the way (8)
No matter what I say it's nothing but words	feel
(Give me more than words)	Can't (9) you nothing
Just let me (5) to you what I know is real	I ain't already heard
(So Real)	No matter what I say
Let me express to you the way that I feel	It's nothing but words
Show me the way that you feel	Just let me prove to you what I know is real
(Ah ah ah)	Let me express to you the way that I feel
Fairytales can be real if you just believe
