

## Crush by David Archuleta

### Fill in the gaps

I hung up the phone tonight  
Something happened for the first time  
Deep inside, it was a rush, what a rush (what a rush)  
'Cause the possibility  
That you would ever feel the same way about me  
It's just too much, just too much  
Why do I keep running from the truth  
All I ever think (1)\_\_\_\_\_ is you  
You got me hypnotized, so mesmerized  
And I just got to know  
Do you ever think, (2)\_\_\_\_\_ you're all alone  
All that we can be, where this thing can go  
Am I crazy or (3)\_\_\_\_\_ in love  
Is it real or (4)\_\_\_\_\_ another crush  
Do you catch a breath, when I look at you  
Are you holding back, like the way I do  
'Cause I'm trying trying to walk away  
But I know this crush ain't going away...  
Going away...  
Has it ever crossed your mind  
When we're hanging spending time girl  
Are we just friends, is there more, is (5)\_\_\_\_\_ more...  
See it's a chance we've gotta take  
'Cause I believe (6)\_\_\_\_\_ we can make this into  
Something that will last, last forever, forever

Do you ever think, when you're all alone  
All that we can be, where this thing can go  
Am I crazy or falling in love  
Is it real or just another crush  
Do you catch a breath, when I look at you  
Are you holding back, like the way I do  
'Cause I'm trying, trying to (7)\_\_\_\_\_ away  
But I know this crush ain't going away...  
Going away...  
Why do I keep running from the truth  
All I ever think about is you  
You got me hypnotized, so mesmerized  
And I (8)\_\_\_\_\_ got to know...  
Do you ever think, when you're all alone  
All that we can be, where this thing can go  
Am I crazy or falling in love  
Is it real or just (9)\_\_\_\_\_ crush  
Do you catch a breath, when I look at you  
Are you holding back, like the way I do  
'Cause I'm trying, trying to walk away  
But I know this crush ain't going away...  
Going away... going away...  
...

## Fill in the gaps

Answer

1. about
2. when
3. falling
4. just
5. there
6. that
7. walk
8. just
9. another
