Our December by Thriving Ivory

I (1)_____ see (2)_____ cover hills
You were walking, I was (3)_____ still
I could feel the (4)_____ on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the (5)_____ runs out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were (6)_____ future in hand
A place to fly and a place to land
Now our December (7)_____ be sure to last
I said there'll be no rush for the year to pass
I remember (8)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I could see (9)_____ covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
