Our December by Thriving Ivory

I (1)_____ see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking (2)_____ always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year (3)_____ out
I remember streets covered white
And I remember a long tonight
Said our December will be littered (4)_____ light
And I see you walking to me
We were holding (5)_____ in hand
A place to fly and a place to land
Now our (6)_____ (7)_____ be sure to
last
I (8)_____ there'll be no rush for the (9)_____ to
pass
I remember streets covered white
And I remember a long tonight

Said our December (10)_____ be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
