Our December by Thriving Ivory

I (1)_____ see snow (2)_____ hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year (3)_____ out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light
And I see you (4)_____ to me
I could see snow (5)_____ hills
And all at once my (6)_____ is still
I see you (7)_____ to me
(Yeah) I see you walking to me
I (8)_____ streets (9)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember (10)_____ covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
