I Could Be The One by Stacie Orrico

I could be the one		Someone You're looking for		
I could be the one		I don't have much to give		
I wonder what I've got to be		Lord, I'm ready		
For You to wanna use me		And through You		
I do not always have just the right words to say		I could be the one		
But You taught me simple things		Whatever you (8)	me to do	
That I'd love the chance to bring		I will hold on to		
To a (1) of people who just simply need You		What you say can be done		
Doesn't matter where I'm from		I could be the one		
Where I've been		Someone You're looking for		
How far I've come		I don't have much to give		
Doesn't (2) where I live		Lord, I'm ready		
Or what I have		And through You		
You (3) my life		I could be the one		
Doesn't matter who I know		Whatever you (9)	me to do	
Or what I've done		I will hold on to		
You Take it all		What you say can be done		
You want me as I am		I could be the one		
I could be the one		Bright, Bright		
Someone You're looking for		Shooby-Doop, Shooby-Doop		
I don't (4) much to give		Bright, Bright		
Lord, I'm ready		Shooby-Doop, Shooby-Doop-Doop		
And (5) You		Bright		
I could be the one		You take the crazy things		
Whatever You (6) me to do	You take the weakest things			
I will hold on to You use		You use the foolish things	se the foolish things	
What You say can be done		To show Your glory		
I could be the one		Lord take my broken heart		
It is amazing to see		Take all of my mistakes		
That You chose people like me		Please, take all of me		
Who get off track, fall, crashin' down to the ground		I want to show how great You are		
But that's when You pick me up I could be the one				
And show Your strength is enough		Someone You're looking for		
You can use a broken heart to heal a (7)	life	I don't have much to give		
Doesn't matter where I'm from		Lord, I'm ready		
Where I've been		And through You		
How far I've come		I could be the one		
oesn't matter where I live Whatever you want me to)		
Or what I have		I (10) hold on to		
You want my life		What you say can be done		
Doesn't matter who I know	ow I could be the one			
Or what I've done		If You say it can be done		
You Take it all		I believe I could be the one [repeated]
