I could be the one

Fill in the gaps

I Could Be The One by Stacie Orrico

I (1) be the one	Someone You're looking for
I could be the one	I don't have much to give
I wonder what I've got to be	Lord, I'm ready
For You to wanna use me	And through You
I do not (2) just the	I (13) be the one
(4) words to say	Whatever you want me to do
But You taught me simple things	I will hold on to
That I'd love the chance to bring	What you say can be done
To a world of people who just simply need You	I (14) be the one
Doesn't matter where I'm from	Someone You're looking for
Where I've been	I don't have (15) to give
How far I've come	Lord, I'm ready
Doesn't (5) where I live	And (16) You
Or what I have	I could be the one
You (6) my life	Whatever you (17) me to do
Doesn't matter who I know	I will (18) on to
Or what I've done	What you say can be done
You (7) it all	I (19) be the one
You want me as I am	Bright, Bright
I could be the one	Shooby-Doop, Shooby-Doop
Someone You're looking for	Bright, Bright
I don't have (8) to give	Shooby-Doop, Shooby-Doop-Doop
Lord, I'm ready	Bright
And through You	You take the crazy things
I (9) be the one	You (20) the weakest things
Whatever You want me to do	You use the (21) things
I will hold on to	To show (22) glory
What You say can be done	Lord take my broken heart
I could be the one	Take all of my mistakes
It is amazing to see	Please, take all of me
That You chose people like me	I want to show how (23) You are
Who get off track, fall, crashin' down to the ground	I could be the one
But that's when You pick me up	Someone You're (24) for
And show Your strength is enough	I don't have much to give
You can use a broken heart to heal a broken life	Lord, I'm ready
Doesn't (10) where I'm from	And (25) You
Where I've been	I (26) be the one
How far I've come	Whatever you want me to do
Doesn't matter where I live	I will hold on to
Or what I have	What you say can be done
You (11) my life	I could be the one
Doesn't (12) who I know	If You say it can be done
Or what I've done	I (27) I could be the one [repeated
You Take it all	
You want me as I am	

Answ 1. could
