Hold on, baby you're losing it

Fill in the gaps

Tied Together With A Smile by Taylor Swift

Seems the only one who doesn't see the beauty	The water's high
Is the face in the mirror looking (1) at you	You're (5) into it
You walk aroud here thinking you're not pretty	And letting go
But that's not true	And no one knows
Cause I (2) you	That you cry
Hold on, baby you're (3) it	But you don't tell anyone
The water's high	That you might not be the golden one
You're jumping into it	And you're tied together (6) a smile
And letting go	But you're coming undone
And no one knows	Hold on, baby you're losing it
That you cry	The water's high
But you don't tell anyone	You're jumping into it
That you might not be the golden one	And letting go
And you're tied together with a smile	And no one knows
But you're coming undone	That you cry
I guess it's true that love was all you wanted	But you don't tell anyone
Cause you've given it away	That you might not be the (7) one
Like it's extra change	And you're tied together with a smile
Hoping it will end up in his pocket	But you're coming undone
But he leaves you out	You're (8) together with a smile
Like a peny in the rain	But you're coming undone
Oh, (4) it's not his price to pay	Goodbye, baby, with a smile, baby, baby
It's not his price to pay
