

And the rattlesnake said

Fill in the gaps

Tree Hugger by Kimya Dawson & Antsy Pants

The flower said, "I wish I was a tree"	"I wish I had hands so I could hug you like a man"
The tree said, "I (1) I could be	And then the cactus said
A different kind of tree"	"Don't you understand
The cat wished that it was a bee	My skin is covered with sharp spikes
The (2) (3) that it could fly	That'll stab you like a thousand knives
Really high into the sky	A hug would be nice
Over rooftops and then dive	But hug my flower with (6) eyes"
Deep into the sea	The flower said, "I wish I was a tree"
And in the sea there is a fish	The tree said, "I wish I could be
A fish that has a secret wish	A different (7) of tree
A (4) to be a big cactus	The cat wished that it was a bee
With a pink flower on it	The (8) (9) that it could fly
And in the sea there is a fish	Really high into the sky
A fish that has a secret wish	Over rooftops and then dive
A wish to be a big cactus	Deep into the sea
With a pink flower on it	And in the sea there is a fish
And the flower	A fish that has a secret wish
Would be its offering	A wish to be a big cactus
Of love to the desert	With a pink flower on it
And the desert	And in the sea there is a fish
So dry and lonely	A fish that has a secret wish
That the creatures all	A wish to be a big cactus
Appreciate the effort	With a pink (10) on it
(Et le jackalope a dit)	And the flower
(Je voudrais être un yéti)	Would be its offering
(Pour voler dans la nuit)	Of love to the desert
(Et m'en aller loin d'ici)	And the desert
(Mais le yéti a dit)	So dry and lonely
(Je voudrais (5) un monstre marin)	That the creatures all
(Pour pouvoir rentrer dans la mer)	Appreciate the effort
(De tous les requins)
