

## Fill in the gaps

The smile of dawn arrived early May	There's a picture worth a thousand words
She carried a gift from her home	Eluding stares from faces (6) me
The night (1) a tear to tell her of fear	It hides away and (7) never be (8) of
And of sorrow and pain	again
She'll never outgrow	Deceit is the (9) without end
Death is the first dance, eternal	The city's cold blood teaches us to survive
There's no more freedom	Just keep my heart in your eyes and we'll stay alive
The both of you will be confined	The third arrives
To (2) mind	Before the leaves have fallen
I was told there's a miracle for (3) day that I try	Before we lock the doors
I was told there's a new love that's born	There must be the third and last dance
For each one that has died	This one will last forever
I was told there'd be no one to call on	Metropolis watches and thoughtfully smiles
When I feel alone and afraid	She's taken you to your home
I was told if you dream of the next world	It can only take place
You'll find yourself swimming in a lake of fire	When the struggle between
As a child, I thought I could live (4) pain	Our children has ended
Without sorrow	Now the Miracle and the sleeper know
As a man I've found it's all caught up (5) me	That the third is love
I'm asleep yet I'm so afraid	Love is the Dance of Eternity
