

Fill in the gaps

__ about me

Don't (1)	where I was	What it leaves behind is hard
I realized life was a game		You know the sleeping feel no more pain
The more seriously I took things		And the living all are scarred
The harder the rules became		(A tout le monde)
I had no idea what it'd cost		(A tout mes amis)
My life passed before my eyes		(Je vous aime)
I found out how little I accomplished		(Je (7) partir)
All my plans denied		These are the last words
So as you read this know my friends		I'll ever speak
I'd love to stay (2) you all		And they'll set me free
Smile when you think of me		So as you read this know my friends
My body's gone that's all		I'd love to stay with you all
(A (3) le monde)		Please smile, smile when you (8)
(A (4) mes amis)		My body's gone that's all
(Je vous aime)		(A tout le monde)
(Je (5) partir)		(A (9) mes amis)
These are the last words		(Je vous aime)
I'll ever speak		(Je dois partir)
And they'll set me free		These are the last words
If my heart was still alive		I'll ever speak
I know it would surely break		And they'll set me free
And my memories le	eft with you
