

Where will it lead us from here?

Fill in the gaps

Angle, Angle		On, Angle, don't you weep	
When (1) those (2)	all disappear?	All (3)	(4) still taste swee
Angie, Angie		I (5) (6) sadness in your eyes
Where will it lead us from here?		But Angie, Angie	
With no loving in our souls		Ain't it time we said goodbye?	
And no money in our coats		With no loving in our souls	
You can't say we're satisfied		And no (7)	in our coats
But Angie, Angie		You can't say we're satisfied	
You can't say we never tried		But Angie, I (8)	love you, baby
Angie, you're beautiful, yeah		Ev'rywhere I look I see your eyes	
But ain't it time we said goodbye?		There ain't a woman that comes close to you	
Angie, I still love you		Come on baby, dry (9) eyes	
Remember all those nights we cried?		But Angie, Angie	
All the dreams we held so close		Ain't it (10) to be alive?	
Seemed to all go up in smoke		Angie, Angie	
Let me whisper in your ear		They can't say we never tried
