Talking Bird by Death Cab For Cutie

Fill in the gaps

(Oh) My talking bird
Though you know so few words
They're on infinite repeat
Like your brain can't keep up with your beak
And you're kept in an open cage
So you're free to leave or stay
Sometimes you get confused
Like there's a hint (1) I am trying to (2) you
The longer you think, the (3) you know what to do
It's hard to see your way out
When you live in a house in a house
Cause you don't realize
That the (4) (5) the (7) time
But (oh), my talking bird
Though your (8) are tattered and furled
I'll love you all your days
Till the breath leaves your (9) frame
It's all here for you as long as you choose to stay
It's all here for you as long as you don't fly away
