

Fill in the gaps

I sit (1) and (2) the tube	And I smell like shit
But nothing's on	I got no motivation
(3) the channels for an hour or two	Where is my motivation?
Twiddle my thumbs just for a bit	No (13) for motivation
I'm sick of all the same old shit	Smoking my inspiration
In a house (4) (5) doors	Sit around and (14) the phone
And I'm fucking lazy	But no one's calling
Bite my lip and (6) my eyes	Call me pathetic (15) me what you will
Take me away to paradise	My mother says to get a job
I'm so damn bored I'm (7) blind	But she don't like the one she's got
And I smell like shit	When masturbation's lost its fun
Peel me off (8) (9) seat	You're fucking lonely
And get me moving	Bite my lip and close my eyes
I'm sure as hell can do it by myself	Take me (16) to paradise
I'm feeling (10) a dog in heat	I'm so damn (17) I'm going blind
Barred indoors from the summer street	And (18) has to suffice
(11) the door to my own cell	Bite my lip and (19) my eyes
And I lost the key	Slipping (20) to paradise
Bite my lip and close my eyes	Some say "Quit or I'll go blind"
Take me away to paradise	But it's (21) a myth
I'm so damn bored	
I'm (12) hlind
