

## Fill in the gaps

1 Sit (1) and (2) the tube	And I smell like shit
But nothing's on	I got no motivation
I (3) the channels for an hour or two	Where is my motivation?
Twiddle my thumbs just for a bit	No time for motivation
I'm sick of all the same old shit	Smoking my inspiration
In a house with unlocked doors	Sit around and watch the phone
And I'm fucking lazy	But no one's calling
Bite my lip and close my eyes	Call me (8) (9) me what you
Take me away to paradise	will
I'm so (4) bored I'm going blind	My mother says to get a job
And I (5) like shit	But she don't like the one she's got
Peel me off this velcro seat	When masturbation's lost its fun
And get me moving	You're fucking lonely
I'm sure as (6) can do it by myself	Bite my lip and close my eyes
I'm feeling like a dog in heat	Take me (10) to paradise
Barred indoors from the summer street	I'm so damn bored I'm going blind
I locked the (7) to my own cell	And loneliness has to suffice
And I lost the key	Bite my lip and close my eyes
Bite my lip and close my eyes	Slipping away to paradise
Take me away to paradise	Some say "Quit or I'll go blind"
I'm so damn bored	But it's just a myth
I'm going blind
