## Strange Deja vu by Dream Theater

## Fill in the gaps

Subconscious strange sensation Unconscious relaxation What a pleasant nightmare And I can't wait to get there again Every time I close my eyes There's (1)\_\_ \_\_\_ vivid surprise Another whole life waiting Chapters unfinished, fading Closer now, slowly coming into view I've arrived, blinding sunshine beaming through There's a house I'm drawn into Familiar settings, nothing new There's a pathway leading there With a haunting chill in the air There's room at the top of the stairs Every night I'm drawn up there There's a girl in the mirror Her face is (2)\_\_\_\_ \_\_\_\_ clearer Young child won't you tell me why I'm here? In her eyes, I sense a (3)\_\_\_\_\_ never told Behind the disguise, there's something tearing At her soul Tonight I've been searching for it A feeling that's (4)\_\_\_\_\_ (5)\_\_\_ Tonight I've been searching for The one that nobody knows Trying to break free

\_\_ like I'm going out of my head

I just can't help myself

Tears my heart into two

I'm (6)\_\_

Thi not the one the sleeper thought he knew
Back on my feet again
Eyes open to real world
Metropolis surrounds me
The mirror's shattered the girl
Why is this other life
Haunting me everyday
I'd break through the other side
If only I'd find the way
Something's awfully familiar
The feeling's so hard to shake
Could I have lived in that other world
It's a (7) that I'm destined to make
I'm still searching but I don't know what for
The missing key to unlock my mind's door
Today I am searching for it
A feeling that won't go away
Today I am (8) for it
The one that I only know
Trying to break free
I just can't help myself
I'm (9) like I'm going out of my head
Tears my soul into two
I'm not the one I thought I always knew
I just can't help myself
I'm feeling (10) I'm going out of my head
Uncanny, strange Deja Vu
But I don't mind, I hope to find the truth
