

Fill in the gaps

How does it feel?	Want it you got it, you're sorry you bought it, can't hide it
When you have it all?	Tell me who do you see
How can you live?	'Cause you look a lot like me
With nothing at all?	How can you take?
Where do you run?	Without giving back?
Where do you go?	Who do you see?
When the holes in your truth	'Cause you look a lot like me
Are starting to show?	Want it you got it, (2) sorry you
And the rain comes	(3) it, you're sliding
And the world is on my head	Want it you got it, you're sorry you (4) it, can't
Crave the sun	(5) it
But I can't get out of bed	Want it you got it, (6) sorry you bought it,
How can you take?	you're sliding
Without giving back?	Want it you got it, you're sorry you bought it, can't hide it
How does it work?	And the rain comes
When it's really cracked?	And the world is on my head
How does it feel	Crave the sun
And no wonder	But I can't get out of bed
Hearts and minds have been won	Want it you got it, you're sorry you bought it, you're sliding
How does it feel	Want it you got it, you're sorry you bought it, can't hide it
And I wonder	Tell me who do you see
How it's all come undone	'Cause you look a lot like me
And the rain comes	You look a lot like me
And the world is on my head	You (7) a lot, you (8) a lot like me (oh)
Crave the sun	You look a lot like me (oh)
But I (1) get out of bed	You (9) a lot like me (oh)
Want it you got it, you're sorry you bought it, you're sliding	You look a lot like me (oh)
