

Tonight by Alex Band

...

Well the sky (1)_____ in two
Found you dancing alone
Then the room filled up with you
And that song we (2)_____ know
That's when you caught me with your eyes
And sent shivers down my spine
And then you whispered in my ear
You said "I can feel it too"
And (3)_____ you (4)_____ me into you
Tonight
I got you where I want you
Closer I can tell you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight
Tonight
Through all of science and history
Well nothing's ever stuck with me
But now I'm locked on to you
And I'm (5)_____ on to
The only (6)_____ I know

Fill in the gaps

And now I'm never letting go
Tonight
I got you where I want you
Closer I can (7)_____ you anything
You're the song that I sing
Tonight
Let the music take us over
We'll fall into forever, all is right
Cause I got you where I (8)_____ you
Tonight, tonight
The whole world could fall away
But you and I
No we won't be afraid
Tonight
I got you where I want you
Closer I can tell you anything
Tonight
Let the music take us over
We'll (9)_____ into forever, all is right
Cause I got you where I want you
Tonight
I got you where I want you
Tonight

Answer

1. broke
2. both
3. then
4. pulled
5. holding
6. thing
7. tell
8. want
9. fall

Fill in the gaps
